

1 Sworn Statement of Inmate [REDACTED]  
2

3 (1) I declare that the following is true and correct:  
4

5 (2) On April 17, 2006, I was interviewed by Officer D. Walton concerning the contents of a  
6 confidential memo dated August 2, 1989, in which Inmate [REDACTED], my ex-cellmate,  
7 alleges that I conspired with numerous inmates including Mr. Gray/C-32622, to bring drugs  
8 into the prison while I was out on my family visit and that Inmate [REDACTED] no longer wanted to  
9 be my cellmate as a result because my life was in danger; that I was going to be stabbed  
10 because I used cocaine while out on my visit and didn't have the money to pay the other  
11 inmates involved.  
12

13 (3) This statement is to confirm that what I told Officer D. Walton in April 2006, is a true  
14 statement. I don't know Inmate Ricky Gray nor was I ever involved in any business dealings  
15 with him or anybody else. I did not ask to be separated from [REDACTED] and I didn't owe  
16 anybody any money for drugs.  
17

18 (4) The allegations in the confidential memo are completely untrue and contradicted by this  
19 sworn statement. After my family visit, marijuana was found in my system not cocaine. I  
20 further alleges that my life was in danger. I was never approached by staff or anybody else  
21 to see if I had concerns regarding my safety. I was not aware of any of this until the  
22 interview on April 17, 2006.  
23

24 I declare under the penalty of perjury that the above statement is true and correct to the best  
25 of my knowledge.
